Re: Ex Parte Notice; WC Docket No. 10-79

Dear Ms. Dortch:

Pursuant to Sections 63.04(a)(4) and 63.18(h) of the Commission's Rules, RCN Corporation ("RCN") indicated in its initial application that no entity holds a 10% or greater direct or indirect ownership interest in RCN. Although no individual or entity directly or indirectly owns or holds 10% or more of its common stock, RCN submits this *ex parte* letter to clarify that, as reported in RCN's most recent Schedule 13G filed at the Securities and Exchange Commission, York Capital Management Global Advisors, LLC ("York Capital Management"), a New York limited liability company located at 767 Fifth Avenue, New York, NY, is the managing member of the general partner of nine investment funds that, as of March 31, 2010, individually hold no more than approximately 5.2% of RCN common stock but collectively hold 17.2% of RCN common stock. York Capital Management does not itself directly own or hold 10% or more of RCN's common stock, but does exercise investment discretion over such investment funds and accordingly may be deemed to have beneficial ownership over the shares of RCN common stock directly owned by the investment funds.

This information does not affect the Commission's consideration of the proposed transaction whereby Yankee Cable Acquisition, LLC ("Yankee Cable") and Yankee Metro Parent, Inc. ("Yankee Metro") will acquire control of RCN and its subsidiaries. Upon consummation of the proposed transaction, Yankee Cable and Yankee Metro will control RCN and its subsidiaries, and the investment funds in which York Capital Management serves as managing member of the general partner will no longer have an ownership interest in RCN. Ownership information for Yankee Cable and Yankee Metro was previously provided with the initial application and in a supplement, dated April 6, 2010, and remains accurate.
